Important: your monthly price is changing on 1 May 2026

From 1 May 2026 the monthly price of Loop Fibre 150 will rise from £29.99 to £32.99 — an increase of £3.00 a month. Your static IP add-on price is not changing. This is the annual price adjustment set out in the terms you agreed when you joined.

Because this change is part of your contract terms, it doesn't give a right to leave without an early-exit fee. If you'd like to review your package before the change takes effect, call us or visit loopfibre.example/myaccount — we'll always tell you if a cheaper package would suit your usage.

Did you know?

You can set a monthly spend cap on your account so one-off charges are never a surprise — switch it on under Billing in the app.
