Upgrade offer: the new Loop Hub 3

As a thank-you for being with us, you can upgrade to the new Loop Hub 3 for a one-off £20 instead of £75. It adds the latest wifi standard, roughly doubles wireless range in a typical flat, and supports our whole-home mesh discs.

Your current hub keeps working fine if you'd rather not — this offer is optional and runs until 31 July 2026. Claim it under Offers in the app and we'll post the new hub with a prepaid returns bag for the old one.

Did you know?
