Direct Debit	The easiest way — choose the 1st, 15th or 25th of the month at netherhale.example/counciltax . Instalments adjust automatically if your bill changes.

Discounts, exemptions and support

The full charge assumes at least two adults live in the property. If you live alone the bill is reduced by 25%. Students, some carers and some other groups aren't counted. If your income is low you may qualify for council tax reduction of up to 100% — apply at netherhale.example/ctr.

You must tell us within 21 days of any change that affects your bill — for example someone moving in or out, or losing entitlement to a discount. Failing to do so can lead to a penalty.

If you don't pay. If an instalment is missed we send a reminder; if payment isn't brought up to date you lose the right to pay by instalments and the full balance for the year becomes due, and we may seek a liability order with costs added.

Struggling to pay? Contact us before missing a payment — we can reschedule instalments over twelve months and check whether you qualify for council tax reduction.

Appeals. If you think you're not liable, or a discount has been wrongly refused, write to us first. If you disagree with our decision you can appeal to the independent valuation tribunal. Making an appeal does not let you withhold payment.
