Meter	Previous reading	Latest reading	Reading type	Units used (kWh)
Z19K 044782	32,506	32,798	Actual (smart meter)	292

Your smart meter sent us this reading automatically on 30 November.

How we worked out your charges

Charge	Units	Rate	Amount
Electricity used	292 kWh	24.1p/kWh	£70.37
Standing charge	30 days	48.9p/day	£14.67
VAT at 5%			£4.25
Total charges			£89.29

Your Fair Deal Flex prices are changing on 1 January

From 1 January 2026 your unit rate rises from 24.1p to 25.3p per kWh and your standing charge from 48.9p to 51.4p per day. For a household with your usage that adds roughly £3.60 a month.

You don't need to do anything. Fair Deal Flex has no exit fees, so you're free to switch to a fixed tariff at any time — see how our fixed deals compare at [harwood-energy.example/tariffs](#).

Your tariff in detail

Tariff feature	Detail

Could you pay less?

Our cheapest similar tariff for a household with your usage is **Fair Deal Fixed 12**. Based on your estimated annual use you would pay around **£702** a year. Visit harwood-energy.example/tariffs or call us to switch — switching is free.

Need a different format?

We can send your bills in braille, large print or audio. Call 020 7946 0330 or reply to any email from us to set this up.

If you have a complaint talk to us first: most things are sorted in one call. If we can't fix it within eight weeks you can ask the statutory ombudsman for the energy sector to look at it for free.

Struggling to pay? Tell us early. We can set up a payment plan, check you're on our cheapest tariff, and point you to free independent debt advice in your area.

Priority Services Register. If you're of pensionable age, disabled or chronically ill, you may qualify for free extra services.

Emergencies. Power cut? Call 105. Smell gas? Call the 24-hour gas emergency line — the number is printed on your meter box and at harwood-energy.example/emergency.
