Dear Mr Marchbank,

Thank you for choosing Ferrand Bank. Your Everyday Current Account was opened on 1 August 2025 and is ready to use. Your account details are below — you will need them to receive your salary and set up Direct Debits, so please keep this letter safe.

Account name	Theo Marchbank

What happens next

Your debit card will arrive within five working days, with your PIN following separately a day or two later for security. You can change the PIN at any of our cash machines. We will never call, text or email you to ask for your PIN, your full password, or to move money to a “safe account” — anyone who does is a fraudster.

The Ferrand Mobile app lets you check your balance, pay people, and pay in cheques by photographing them. Download it from ferrandbank.example/app and register with your sort code and account number.

Moving payments over? If you would like us to bring Direct Debits and standing orders across from another bank, our switching team can arrange everything for you in seven working days — call us or apply in the app.

If you have any questions, call us any time on 020 7946 0700.

Yours sincerely,

Rosa Ferreday
Head of Everyday Banking
