Certificate MRP/2025/118834 · issued 29 July 2025

This certificate confirms that rent guarantee and legal expenses cover is in force for the tenancy described below, subject to the policy wording. The insured is the landlord; the tenant is named for identification of the tenancy only and acquires no rights under the policy.

Referencing on which cover is based (ref REF-25-90218). Full reference completed 21 July 2025: identity and right-to-rent verified; employer confirmed permanent employment at a gross annual salary of £37,554, equal to 2.0 times the annual rent (below the 2.5 times minimum requirement); previous landlord reference satisfactory; no adverse credit records located. Outcome: ACCEPTED SUBJECT TO RENT GUARANTEE INSURANCE (this policy).

Cover is conditional on the tenancy being an assured shorthold tenancy with a deposit protected in an authorised scheme, on the referencing summarised above remaining accurate at the start of the tenancy, and on arrears procedures in the policy wording being followed. A claim must be notified within 31 days of the second missed rent payment.

Guarantor waived under this policy. The tenant's verified income fell below the standard affordability multiple, and this rent guarantee policy has been accepted by the agent in lieu of a deed of guarantee; no guarantor is attached to the tenancy.
