(e) On termination of the tenancy, the tenant should apply to the Scheme for repayment of the deposit, confirming the amount agreed with the landlord. Where the parties agree, repayment is normally made within ten days of the Scheme receiving instructions from both parties.

(f) If the parties do not agree, either party may refer the dispute to the Scheme's alternative dispute resolution service, which is free to use and whose decision is binding on the Scheme. The disputed portion of the deposit is retained by the Scheme until the dispute is resolved.

(g) The deposit may be retained in whole or in part where the landlord is entitled to make deductions in the circumstances set out in clause 5.2 of the attached agreement, including rent lawfully due and unpaid, damage beyond fair wear and tear, cleaning required to restore the premises to check-in standard, and replacement of lost keys or security devices.

2.31.1 Not to do anything at the Premises which causes persistent smoke, fumes or strong odour to be emitted into the communal areas or neighbouring premises, including the use of oil or solid-fuel burners, barbecues on balconies, and deep-fat frying left unattended.

3 LANDLORD'S OBLIGATIONS

3.1 The Landlord agrees that the Tenant may quietly possess and enjoy the Premises during the Term without any unlawful interruption by the Landlord or any person claiming under or in trust for the Landlord.

3.2 The Landlord agrees to comply with the repairing obligations imposed on landlords by the housing legislation, including keeping in repair the structure and exterior of the Premises and keeping in repair and proper working order the installations for the supply of water, gas, electricity, sanitation, space heating and water heating.

3.3 The Landlord agrees to keep the Premises fit for human habitation at the start of and throughout the Term as required by the housing legislation.

3.4 The Landlord agrees to arrange the annual gas safety check, to maintain the electrical installation in accordance with the electrical safety standards regulations, and to provide the Tenant with copies of the resulting records within the statutory timescales.

3.5 The Landlord agrees to insure the Building and the Landlord's Fixtures and Fittings against fire and other usual risks, and, where the Premises are rendered uninhabitable by an insured risk not caused by the Tenant, clause 5.5 applies.

3.6 The Landlord confirms that the Deposit will be dealt with in accordance with the Scheme rules and the Prescribed Information.

3.7 The Landlord agrees to maintain in the Premises at least one smoke alarm on each storey and a carbon monoxide alarm in any room containing a fixed combustion appliance, each in proper working order at the start of the Term.

3.8 Where the Landlord is notified of a defect for which the Landlord is responsible, the Landlord will begin remedial works within a reasonable time having regard to the nature of the defect, and in an Emergency will use reasonable endeavours to make the Premises safe within 24 hours of notification.

3.9 The Landlord will not interrupt or interfere with the supply of Utilities to the Premises, except where interruption is unavoidable for the purpose of repair, in which case reasonable notice will be given other than in an Emergency.

4 STATUTORY INFORMATION AND FORFEITURE

4.1 This agreement creates an assured shorthold tenancy. The Landlord may recover possession at the end of the Term by giving not less than two months' written notice under the statutory shorthold procedure.

4.2 The Rent may not be increased during the fixed Term. If the tenancy continues as a statutory periodic tenancy, any increase must follow the statutory procedure.

4.3 The court may order possession before the end of the Term only on the statutory grounds, which include the following (the full text of the grounds is set out in the housing legislation):

4.3.1 **Mandatory grounds.** Grounds on which the court must order possession if made out, including:

4.3.1.1 **Ground — serious rent arrears:** at both the date of service of notice and the date of the hearing, at least two months' rent is unpaid;

4.3.1.2 **Ground — mortgagee repossession:** the Building is subject to a mortgage granted before the tenancy and the mortgagee requires possession to exercise a power of sale;

4.3.1.3 **Ground — landlord's own occupation:** the Landlord previously occupied the Premises as a home and requires them again, notice of this possibility having been given at the start of the tenancy where required.

4.3.2 **Discretionary grounds.** Grounds on which the court may order possession if it is reasonable to do so, including:

4.3.2.1 **Ground — rent arrears:** some rent lawfully due is unpaid at service of notice and at the commencement of proceedings;

4.3.2.2 **Ground — persistent delay:** the Tenant has persistently delayed paying rent which has become lawfully due;

4.3.2.3 **Ground — breach of obligation:** any obligation of this tenancy (other than payment of rent) has been broken or not performed;

4.3.2.4 **Ground — deterioration:** the condition of the Premises or the common parts has deteriorated owing to the conduct of the Tenant or a person residing with the Tenant;

4.3.2.5 **Ground — nuisance or annoyance:** the Tenant or a person residing at or visiting the Premises has been guilty of conduct causing or likely to cause a nuisance or annoyance, or has been convicted of using the Premises for immoral or illegal purposes;

4.3.2.6 **Ground — deterioration of furniture:** the condition of the furniture provided has deteriorated owing to ill-treatment;

4.3.2.7 **Ground — false statement:** the tenancy was induced by a false statement made knowingly or recklessly by the Tenant or a person acting at the Tenant's instigation.

4.4 If the Rent or any part of it is unpaid for 21 days after becoming payable (whether formally demanded or not), or if the Tenant is in material breach of this agreement, the Landlord may re-enter the Premises (subject always to obtaining a court order where one is required by law) and this tenancy will then end, without prejudice to the Landlord's other rights and remedies.

4.5 Nothing in this agreement affects the Tenant's statutory protection from eviction: the Landlord may not recover possession of the Premises while anyone is lawfully residing in them without a court order.

5 IT IS MUTUALLY AGREED

5.1 Inventory

5.1.1 An Inventory will be prepared at the start of the Term by an independent inventory clerk. The Tenant has seven days from receipt to propose amendments; after that period the Inventory (as amended by any agreed proposals) is treated as agreed and binding, save for manifest error.

5.1.2 A summary of the Inventory appears in Schedule 2; the full Inventory including photographs is a separate document referred to in this agreement.

5.2 Deposit

5.2.1 The Deposit is held by the Scheme in accordance with the Scheme rules and this clause 5.2.

5.2.2 The Deposit is security for the performance of the Tenant's obligations under this agreement.

5.2.3 The Landlord may claim from the Deposit at the end of the Term such amounts as are reasonably required in respect of:

5.2.3.1 Rent or other sums lawfully due under this agreement which remain unpaid;

5.2.3.2 the reasonable cost of repairing damage to the Premises or the Fixtures and Fittings for which the Tenant is liable, beyond Fair wear and tear;

5.2.3.3 the reasonable cost of cleaning required to restore the Premises to the standard recorded in the Inventory;

5.2.3.4 the reasonable cost of replacing keys, fobs or security devices lost by the Tenant, and of any consequent lock replacement;

5.2.3.5 the reasonable cost of removing and disposing of items or refuse left at the Premises after the end of the Term, subject to clause 5.4.

5.2.4 The Landlord may not claim from the Deposit for Fair wear and tear, nor apply any charge which would amount to a prohibited payment under the legislation regulating tenant fees.

5.2.5 At the end of the Term the parties will seek to agree the amount (if any) to be deducted from the Deposit within ten working days of the check-out inspection.

5.2.6 Any amount agreed as payable to either party will be released by the Scheme in accordance with its rules, normally within ten days of the Scheme receiving joint instructions.

5.2.7 If the parties cannot agree, either party may refer the dispute to the Scheme's alternative dispute resolution service, whose decision is binding on the Scheme; the undisputed balance is to be released without waiting for the outcome.

5.2.8 No interest is payable by the Landlord to the Tenant on the Deposit except any interest the Scheme rules require to be credited.

5.2.9 If the Landlord's interest in the Premises is transferred, the Landlord will procure that the Deposit is transferred within the Scheme or dealt with as the Scheme rules require, and will notify the Tenant.

5.2.10 The Tenant must not treat the Deposit as payment of Rent, including the final month's Rent.

5.2.11 Where a deduction is claimed for damage to an item, the amount claimed must take fair account of the age and condition of the item at check-in as recorded in the Inventory, and betterment is not recoverable.

5.2.12 The Landlord will support any claim on the Deposit with evidence, which may include the check-in and check-out reports, photographs, invoices, estimates and rent statements.

5.2.13 If either party's contact details change before the Deposit is repaid, that party must promptly notify the other and the Scheme.

5.2.14 If the tenancy continues as a statutory periodic tenancy, the Deposit continues to be held by the Scheme on the terms of this clause 5.2 and no further Prescribed Information is required unless legislation requires it.

5.2.15 Nothing in this clause prevents either party recovering from the other, by court proceedings or otherwise, any sum exceeding the amount of the Deposit.

5.2.16 If the Scheme ceases to be authorised, the Landlord will within 30 days protect the Deposit with another authorised scheme and provide the Tenant with new prescribed information.

5.3 Rent and Interest on Late Payment

5.3.1 If any Rent remains unpaid fourteen days after the due date, the Tenant must pay interest on the overdue amount at the rate of 3% per annum above the reference bank base rate from the due date until payment, as permitted by the legislation regulating tenant fees.

5.4 Abandoned Goods

5.4.1 Any goods left at the Premises after the end of the Term will be stored for fourteen days. If not collected within that period after written notice to the Tenant's last known address, the Landlord may sell or dispose of them, accounting to the Tenant for any proceeds of sale less the reasonable costs of storage, notice and sale.

5.5 Uninhabitable Premises

5.5.1 If the Premises are destroyed or made wholly uninhabitable by fire, flood or other risk insured by the Landlord, and the damage was not caused by the act or omission of the Tenant, the Rent (or a fair proportion of it) is suspended until the Premises are rendered fit for occupation, and if they remain unfit for more than two months either party may end this tenancy by one month's written notice.

5.6 Costs and Permitted Charges

5.6.1 No payment is required from the Tenant in connection with this tenancy other than the payments permitted by the legislation regulating tenant fees, namely: the Rent; the Deposit (capped as required by that legislation); payments in default as set out in clauses 2.8.1 and 5.3.1; payments on variation, assignment or

early termination of the tenancy at the Tenant's request (capped as required); and Utilities and council tax under clause 2.2.

5.7 Agent of the Landlord

5.7.1 The Agent acts for the Landlord. Payment of Rent to the Agent discharges the Tenant's obligation to pay that Rent. Notice served on the Agent is treated as served on the Landlord, and notice served by the Agent is treated as served by the Landlord.

5.8 Notices

5.8.1 Any notice under this agreement is sufficiently served on the Tenant if delivered personally, or left at, or sent by first-class post to, the Premises, or sent by email to the address in Particular 2; and on the Landlord if left at or sent by first-class post to the address for service in Particular 2. Notices sent by first-class post are treated as served on the second working day after posting.

5.9 Entire Agreement and Variations

5.9.1 This agreement (including its Schedules and annexes) contains the whole agreement between the parties relating to the tenancy and supersedes any prior discussions, correspondence or heads of terms. No variation is effective unless it is in writing and signed by or on behalf of both parties.

5.10 Governing Law

5.10.1 This agreement is governed by the law of England and Wales, and the courts of England and Wales have jurisdiction over any dispute arising from it.

6 DATA PROTECTION

6.1 The Landlord and the Agent will each process the Tenant's personal data as controllers for the purposes of performing this agreement, complying with legal obligations (including deposit protection, right-to-rent checks and safety certification), managing the tenancy, and pursuing legitimate interests in recovering sums due.

6.2 Personal data may be shared between the Landlord and the Agent and with the Scheme, contractors, Utility suppliers, the local authority, referencing and rent-guarantee providers, and debt-recovery agents or the courts where necessary for those purposes. Personal data is retained for six years after the end of the tenancy, after which it is deleted or anonymised unless a longer period is required by law.

6.3 The Agent's privacy notice at penfoldreach.example/privacy explains the Tenant's rights, including the rights of access and rectification and the right to complain to the supervisory authority.

6.4 The Tenant agrees to keep the Agent informed of a current email address and telephone number for the purposes of tenancy administration during the Term.

7 SPECIAL TENANCY CONDITIONS

7.1 Professional cleaning

The Premises were professionally cleaned before the start of the Term as recorded in the Inventory. The Tenant agrees to return the Premises cleaned to the same professional standard at the end of the Term, fair wear and tear excepted, and to provide a receipt on request where a cleaning contractor is used.

7.2 No smoking

The Tenant agrees not to smoke, and not to permit any visitor to smoke, tobacco or any other substance (including electronic cigarettes producing visible vapour) inside the Premises.

7.3 Pets

No pet may be kept at the Premises without the prior written consent of the Landlord, such consent not to be unreasonably refused or delayed. Any consent may be conditional on additional cleaning obligations at the end of the Term.

7.4 Working from home

The Tenant may use one room of the Premises for ordinary desk-based home working, provided this use remains ancillary to residential use, creates no business rates liability, and involves no visits from customers or employees.
