Tuition fees and funding

Our funding pages explain bursaries and scholarships, including the Wexcombe Achievement Bursary, at wexcombe.example/money.

The best way to choose a university is to walk around it. Offer-holder days run every fortnight from March to June — you will tour the network labs, meet the teaching team and current students, and see the halls of residence. Book your place at wexcombe.example/visit.

We look forward to welcoming you to Wexcombe.

Yours sincerely,
