Z19K 044782	34,708	34,887	Actual (smart meter)	179

Your smart meter sent us this reading automatically on 31 July.

How we worked out your charges

Charge	Units	Rate	Amount
Electricity used	179 kWh	25.3p/kWh	£45.29
Standing charge	31 days	51.4p/day	£15.93
VAT at 5%			£3.06
Total charges			£64.28

Your energy year in review

You've now been with us a full year at this address. Over the twelve months to 31 July you used 3,043 kWh of electricity — winter peaked in January at 356 kWh, summer bottomed out in July at 179 kWh.

That's a touch above the 2,450 kWh we first estimated for your home, mostly down to the cold January. Your usage graph is in the app under Insights.

Your tariff in detail

Could you pay less?

Our cheapest similar tariff for a household with your usage is **Fair Deal Fixed 12**. Based on your estimated annual use you would pay around **£764** a year. Visit harwood-energy.example/tariffs or call us to switch — switching is free.

Need a different format?

We can send your bills in braille, large print or audio. Call 020 7946 0330 or reply to any email from us to set this up.

If you have a complaint talk to us first: most things are sorted in one call. If we can't fix it within eight weeks you can ask the statutory ombudsman for the energy sector to look at it for free.

Struggling to pay? Tell us early. We can set up a payment plan, check you're on our cheapest tariff, and point you to free independent debt advice in your area.

Priority Services Register. If you're of pensionable age, disabled or chronically ill, you may qualify for free extra services.

Emergencies. Power cut? Call 105. Smell gas? Call the 24-hour gas emergency line — the number is printed on your meter box and at harwood-energy.example/emergency.
