A quick orientation: the Declarations page controls the amounts; the base form controls the meaning of the words; each endorsement changes the base form in the way its title says. Where an endorsement and the base form disagree, the endorsement wins. Where the Declarations and anything else disagree, the Declarations win. If anything still looks wrong, tell us in the app and we will fix it or explain it in plain language.

SECTION I — PROPERTY COVERAGES

Coverage C — Personal Property

We cover personal property owned or used by an insured while it is anywhere in the world. After a loss and at your request, we will cover personal property owned by others while the property is on the part of the residence premises occupied by an insured, and personal property owned by a guest or a residence employee while the property is in any residence occupied by an insured.

Our limit of liability for personal property usually located at an insured's residence other than the residence premises is 10% of the limit of liability for Coverage C or \$1,000, whichever is greater. Personal property moved from the residence premises because it is being repaired, renovated or rebuilt, and is not fit to live in or store property in, is not subject to this limitation for 30 days.

Special Limits of Liability. These limits do not increase the Coverage C limit. The special limit for each category is the total limit for each loss for all property in that category:

1. \$200 on money, bank notes, bullion, coins and precious metals;
2. \$1,500 on securities, accounts, deeds, evidences of debt, letters of credit, manuscripts, personal records, passports, tickets and stamps, including the cost to research, replace or restore the information from the lost or damaged material;
3. \$1,500 on watercraft of all types, including their trailers, furnishings, equipment and outboard engines or motors;
4. \$1,500 on trailers or semitrailers not used with watercraft of all types;
5. \$1,500 for loss by theft of jewelry, watches, furs, and precious and semiprecious stones;
6. \$2,500 for loss by theft of firearms and related equipment;
7. \$2,500 for loss by theft of silverware, silver-plated ware, goldware, gold-plated ware, platinumware and pewterware;
8. \$2,500 on property, on the residence premises, used primarily for business purposes;
9. \$1,500 on property, away from the residence premises, used primarily for business purposes;
10. \$1,500 on portable electronic equipment that reproduces, receives or transmits audio, visual or data signals and is designed to be operated by more than one power source, while in or upon a motor vehicle;
11. \$250 on antennas, tapes, wires, records, discs or other media that can be used with any electronic equipment described above, while in or upon a motor vehicle.

Property Not Covered. We do not cover: articles separately described and specifically insured in this or other insurance; animals, birds or fish; motor vehicles and their equipment and parts (except vehicles not required to be

registered for use on public roads which are used solely to service an insured's residence or designed to assist the handicapped); aircraft, meaning any contrivance used or designed for flight, except model or hobby aircraft not used or designed to carry people or cargo; hovercraft; property of roomers, boarders and other tenants; property in an apartment regularly rented or held for rental to others by an insured; property rented or held for rental to others off the residence premises; credit cards and electronic fund transfer cards except as provided under Additional Coverages; and water or steam.

Coverage D — Loss of Use

1. Additional Living Expense. If a loss covered under Section I makes that part of the residence premises where you reside not fit to live in, we cover any necessary increase in living expenses incurred by you so that your household can maintain its normal standard of living. Payment will be for the shortest time required to repair or replace the damage or, if you permanently relocate, the shortest time required for your household to settle elsewhere.

2. Fair Rental Value. If a loss covered under Section I makes that part of the residence premises rented to others or held for rental by you not fit to live in, we cover the fair rental value of such premises, less any expenses that do not continue while it is not fit to live in.

3. Civil Authority Prohibits Use. If a civil authority prohibits you from use of the residence premises as a result of direct damage to neighboring premises by a Peril Insured Against, we cover the losses in 1. and 2. above for no more than two weeks.

Additional Coverages

1. Debris Removal. We will pay your reasonable expense for the removal of debris of covered property if a Peril Insured Against causes the loss. This expense is included in the limit of liability that applies to the damaged property; when the amount payable for the actual damage plus the debris removal exceeds that limit, an additional 5% of that limit is available for such expense.

2. Reasonable Repairs. If covered property is damaged by an applicable Peril Insured Against, we will pay the reasonable cost incurred by you for necessary measures taken solely to protect against further damage. This coverage does not increase the limit of liability applying to the property being repaired.

3. Trees, Shrubs and Other Plants. We cover trees, shrubs, plants or lawns, on the residence premises, for loss caused by fire or lightning, explosion, riot or civil commotion, aircraft, vehicles not owned or operated by a resident of the residence premises, vandalism or malicious mischief or theft, up to 10% of the Coverage C limit, and no more than \$500 for any one tree, shrub or plant.

4. Fire Department Service Charge. We will pay up to \$500 for your liability assumed by contract or agreement for fire department charges incurred when the fire department is called to save or protect covered property from a Peril Insured Against. No deductible applies to this coverage.

5. Property Removed. We insure covered property against direct loss from any cause while being removed from a premises endangered by a Peril Insured Against and for no more than 30 days while removed.

6. Credit Card, Electronic Fund Transfer Card, Forgery and Counterfeit Money. We will pay up to \$500 for the legal obligation of an insured to pay because of the theft or unauthorized use of credit cards issued to or registered in an insured's name; loss resulting from theft or unauthorized use of an electronic fund transfer card; loss to an insured caused by forgery or alteration of any check or negotiable instrument; and loss to an insured through acceptance in good faith of counterfeit United States or Canadian paper currency. We do not cover use of a credit card or electronic fund transfer card by a resident of your household, or by a person who has been entrusted with the card, or loss arising out of business use or dishonesty of an insured.

7. Loss Assessment. We will pay up to \$1,000 for your share of loss assessment charged during the policy period against you by a corporation or association of property owners, when the assessment is made as a result of direct loss to property owned by all members collectively, caused by a Peril Insured Against.

8. Refrigerated Property. We will pay up to \$500 for covered property stored in freezers or refrigerators on the residence premises for loss caused by power service interruption or mechanical failure of the refrigeration unit. A \$100 deductible applies to this coverage in place of any other deductible.

9. Grave Markers. We will pay up to \$5,000 for grave markers, including mausoleums, on or away from the residence premises, for loss caused by a Peril Insured Against.

10. Ordinance or Law. You may use up to 10% of the limit of liability that applies to Coverage C for the increased costs you incur due to the enforcement of any ordinance or law which requires or regulates the repair or replacement of covered property damaged by a Peril Insured Against. This is an additional amount of insurance, and does not apply to costs due to any ordinance or law the enforcement of which requires the demolition or repair of property because of the presence of pollutants or fungi.

SECTION I — PERILS INSURED AGAINST

We insure for direct physical loss to the property described in Coverages C and D caused by a peril listed below, unless the loss is excluded under Section I — Exclusions.

1. Fire or Lightning.

2. Windstorm or Hail. This peril does not include loss to the property contained in a building caused by rain, snow, sleet, sand or dust unless the direct force of wind or hail damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening. This peril includes loss to watercraft of all types and their trailers, furnishings, equipment, and outboard engines or motors, only while inside a fully enclosed building.

3. Explosion.

4. Riot or Civil Commotion.

5. Aircraft, including self-propelled missiles and spacecraft.

6. Vehicles.

7. Smoke, meaning sudden and accidental damage from smoke, including the emission or puffback of smoke, soot, fumes or vapors from a boiler, furnace or related equipment. This peril does not include loss caused by smoke from agricultural smudging or industrial operations.

8. Vandalism or Malicious Mischief.

9. Theft, including attempted theft and loss of property from a known place when it is likely that the property has been stolen. This peril does not include loss caused by theft committed by an insured; in or to a dwelling under construction or of materials and supplies for use in the construction; or from that part of a residence premises rented by an insured to a person other than an insured. This peril does not include loss caused by theft that occurs off the residence premises of trailers, semitrailers and campers; of watercraft of all types and their furnishings, equipment and outboard engines or motors; or of property while at any other residence owned by, rented to, or occupied by an insured, except while an insured is temporarily living there. Property of an insured who is a student is covered while at the residence the student occupies to attend school as long as the student has been there at any time during the 60 days immediately before the loss.

10. Falling Objects. This peril does not include loss to property contained in a building unless the roof or an outside wall of the building is first damaged by a falling object. Damage to the falling object itself is not included.

11. Weight of Ice, Snow or Sleet which causes damage to property contained in a building.

12. Accidental Discharge or Overflow of Water or Steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or from within a household appliance. This peril does not include loss to the system or appliance from which the water or steam escaped; loss caused by or resulting from freezing except as provided in Peril 14; loss on the residence premises caused by accidental discharge or overflow which occurs off the residence premises; or loss caused by mold, fungus or wet rot unless hidden within the walls or ceilings or beneath the floors or above the ceilings of a structure.

13. Sudden and Accidental Tearing Apart, Cracking, Burning or Bulging of a steam or hot water heating system, an air conditioning or automatic fire protective sprinkler system, or an appliance for heating water. We do not cover loss caused by or resulting from freezing under this peril.

14. Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance. This peril does not include loss on the residence premises while the dwelling is unoccupied, unless you have used reasonable care to maintain heat in the building or shut off the water supply and drain all systems and appliances of water.

15. Sudden and Accidental Damage from Artificially Generated Electrical Current. This peril does not include loss to tubes, transistors, electronic components or circuitry that are a part of appliances, fixtures, computers, home entertainment units or other types of electronic apparatus.

16. Volcanic Eruption other than loss caused by earthquake, land shock waves or tremors.

SECTION I — EXCLUSIONS

We do not insure for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss.

1. Ordinance or Law, meaning enforcement of any ordinance or law regulating the construction, repair or demolition of a building or other structure, unless specifically provided under this policy.

2. Earth Movement, meaning earthquake, including land shock waves or tremors before, during or after a volcanic eruption; landslide; mine subsidence; mudflow; or earth sinking, rising or shifting; unless direct loss by fire, explosion or theft ensues, and then we will pay only for the ensuing loss.

3. Water Damage, meaning flood, surface water, waves, tidal water, overflow of a body of water, or spray from any of these, whether or not driven by wind; water or water-borne material which backs up through sewers or drains or which overflows or is discharged from a sump, sump pump or related equipment (but see endorsement UR-E04 where attached); or water or water-borne material below the surface of the ground, including water which exerts pressure on or seeps or leaks through a building, sidewalk, driveway, foundation, swimming pool or other structure. Direct loss by fire, explosion or theft resulting from water damage is covered.

4. Power Failure, meaning the failure of power or other utility service if the failure takes place off the residence premises. If the failure results in a loss, from a Peril Insured Against on the residence premises, we will pay for the loss caused by that peril.

5. Neglect, meaning neglect of an insured to use all reasonable means to save and preserve property at and after the time of a loss.

6. War, including undeclared war, civil war, insurrection, rebellion, revolution, warlike act by a military force or military personnel, destruction, seizure or use for a military purpose, and any consequence of any of these. Discharge of a nuclear weapon will be deemed a warlike act even if accidental.

7. Nuclear Hazard, to the extent set forth in the Nuclear Hazard Clause of Section I — Conditions.

8. Intentional Loss, meaning any loss arising out of any act committed by or at the direction of an insured with the intent to cause a loss.

9. Governmental Action, meaning the destruction, confiscation or seizure of property described in Coverage C by order of any governmental or public authority. This exclusion does not apply to such acts ordered by any

governmental or public authority that are taken at the time of a fire to prevent its spread, if the loss caused by fire would be covered under this policy.

SECTION I — CONDITIONS

1. Insurable Interest and Limit of Liability. Even if more than one person has an insurable interest in the property covered, we will not be liable in any one loss to an insured for more than the amount of such insured's interest at the time of loss, or for more than the applicable limit of liability.

2. Your Duties After Loss. In case of a loss to covered property, you must see that the following are done: give prompt notice to us or our agent; notify the police in case of loss by theft; notify the credit card or electronic fund transfer card company in case of loss under that coverage; protect the property from further damage, make reasonable and necessary repairs to protect the property, and keep an accurate record of repair expenses; prepare an inventory of damaged personal property showing the quantity, description, actual cash value and amount of loss, attaching all bills, receipts and related documents that justify the figures in the inventory; as often as we reasonably require, show the damaged property, provide us with records and documents we request and permit us to make copies, and submit to examination under oath while not in the presence of any other insured; and send to us, within 60 days after our request, your signed, sworn proof of loss which sets forth, to the best of your knowledge and belief, the time and cause of loss, the interests of all insureds in the property involved, other insurance which may cover the loss, and the actual cash value of each item of damaged personal property and the amount of loss to each.

3. Loss Settlement. Covered property losses are settled at actual cash value at the time of loss but not more than the amount required to repair or replace (but see endorsement UR-E01 where attached).

4. Loss to a Pair or Set. In case of loss to a pair or set we may elect to repair or replace any part to restore the pair or set to its value before the loss, or pay the difference between actual cash value of the property before and after the loss.

5. Appraisal. If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other, and the two appraisers will choose an umpire. The appraisers will separately set the amount of loss; if they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss. Each party will pay its own appraiser and bear the other expenses of the appraisal and umpire equally.

6. Other Insurance. If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss.

7. Suit Against Us. No action can be brought against us unless there has been full compliance with all of the terms under Section I of this policy and the action is started within two years after the date of loss.

8. Our Option. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with material or property of like kind and quality.

9. Loss Payment. We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss and reach agreement with you, or there is an entry of a final judgment, or there is a filing of an appraisal award with us.

10. Abandonment of Property. We need not accept any property abandoned by an insured.

11. No Benefit to Bailee. We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

12. Nuclear Hazard Clause. "Nuclear Hazard" means any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against. This policy does not apply under Section I to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard remains covered.

13. Recovered Property. If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

14. Volcanic Eruption Period. One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

SECTION II — LIABILITY COVERAGES

Coverage E — Personal Liability

If a claim is made or a suit is brought against an insured for damages because of bodily injury or property damage caused by an occurrence to which this coverage applies, we will pay up to our limit of liability for the damages for which the insured is legally liable, and provide a defense at our expense by counsel of our choice, even if the suit is groundless, false or fraudulent. We may investigate and settle any claim or suit that we decide is appropriate. Our duty to settle or defend ends when the amount we pay for damages resulting from the occurrence equals our limit of liability.

Coverage F — Medical Payments to Others

We will pay the necessary medical expenses that are incurred or medically ascertained within three years from the date of an accident causing bodily injury. Medical expenses means reasonable charges for medical, surgical, x-ray,

dental, ambulance, hospital, professional nursing, prosthetic devices and funeral services. This coverage does not apply to you or regular residents of your household except residence employees. As to others, this coverage applies only: to a person on the insured location with the permission of an insured; or to a person off the insured location, if the bodily injury arises out of a condition on the insured location or the ways immediately adjoining, is caused by the activities of an insured, is caused by a residence employee in the course of the residence employee's employment by an insured, or is caused by an animal owned by or in the care of an insured.

SECTION II — EXCLUSIONS

1. Coverages E and F do not apply to bodily injury or property damage which is expected or intended by an insured, even if the resulting bodily injury or property damage is of a different kind, quality or degree than initially expected or intended, or is sustained by a different person or entity than initially expected or intended.
2. Coverages E and F do not apply to bodily injury or property damage arising out of or in connection with a business conducted from an insured location or engaged in by an insured, whether or not the business is owned or operated by an insured or employs an insured. This exclusion does not apply to the rental or holding for rental of an insured location on an occasional basis if used only as a residence, or in part as a residence to no more than two roomers or boarders, or in part as an office, school, studio or private garage.
3. Coverages E and F do not apply to bodily injury or property damage arising out of the rendering of or failure to render professional services.
4. Coverages E and F do not apply to bodily injury or property damage arising out of a premises owned by an insured, rented to an insured, or rented to others by an insured, that is not an insured location.
5. Coverages E and F do not apply to motor vehicle liability, watercraft liability (for watercraft with inboard motors or more than 25 total horsepower outboard, or sailing vessels 26 feet or more in length) or aircraft liability, except as provided by the policy for vehicles or craft not subject to registration and not used for business.
6. Coverages E and F do not apply to bodily injury or property damage caused directly or indirectly by war, including the discharge of a nuclear weapon even if accidental.
7. Coverages E and F do not apply to bodily injury or property damage which arises out of the transmission of a communicable disease by an insured; arising out of sexual molestation, corporal punishment or physical or mental abuse; or arising out of the use, sale, manufacture, delivery, transfer or possession by any person of a controlled substance, other than the legitimate use of prescription drugs by a person following the orders of a licensed physician.
8. Coverage E does not apply to liability for any assessment charged against you as a member of an association, corporation or community of property owners (except as provided under Additional Coverages); under any contract or agreement, except written contracts that directly relate to the ownership, maintenance or use of an insured location, or where the liability of others is assumed by you prior to an occurrence, unless excluded

elsewhere in this policy; for property damage to property owned by an insured; for property damage to property rented to, occupied or used by or in the care of an insured, except for property damage caused by fire, smoke or explosion; for bodily injury to any person eligible to receive any benefits voluntarily provided or required to be provided by an insured under any workers' compensation, non-occupational disability or occupational disease law; or for bodily injury or property damage for which an insured is also an insured under a nuclear energy liability policy.

9. Coverage F does not apply to bodily injury to a residence employee if the bodily injury occurs off the insured location and does not arise out of or in the course of the residence employee's employment by an insured; or to any person eligible to receive benefits voluntarily provided or required to be provided under any workers' compensation, non-occupational disability or occupational disease law; or from any nuclear reaction, radiation or radioactive contamination; or to any person, other than a residence employee of an insured, regularly residing on any part of the insured location.

SECTION II — ADDITIONAL COVERAGES

1. Claim Expenses. We pay expenses we incur and costs taxed against an insured in any suit we defend; premiums on bonds required in a suit we defend, but not for bond amounts more than the Coverage E limit of liability; reasonable expenses incurred by an insured at our request, including actual loss of earnings (but not loss of other income) up to \$100 per day, for assisting us in the investigation or defense of a claim or suit; and interest on the entire judgment which accrues after entry of the judgment and before we pay or tender that part of the judgment which does not exceed our limit of liability.

2. First Aid Expenses. We will pay expenses for first aid to others incurred by an insured for bodily injury covered under this policy. We will not pay for first aid to an insured.

3. Damage to Property of Others. We will pay, at replacement cost, up to \$1,000 per occurrence for property damage to property of others caused by an insured. We will not pay for property damage to the extent of any amount recoverable under Section I; caused intentionally by an insured who is 13 years of age or older; to property owned by an insured; to property owned by or rented to a tenant of an insured or a resident in your household; or arising out of a business engaged in by an insured, any act or omission in connection with a premises owned, rented or controlled by an insured other than the insured location, or the ownership, maintenance, occupancy, operation, use, loading or unloading of aircraft, hovercraft, watercraft or motor vehicles.

4. Loss Assessment. We will pay up to \$1,000 for your share of loss assessment charged against you, as owner or tenant of the residence premises, during the policy period by a corporation or association of property owners, when the assessment is made as a result of bodily injury or property damage not excluded from coverage under Section II of this policy.

SECTION II — CONDITIONS

1. Limit of Liability. Our total liability under Coverage E for all damages resulting from any one occurrence will not be more than the Coverage E limit of liability shown in the Declarations, regardless of the number of insureds, claims made or persons injured. Our total liability under Coverage F for all medical expense payable for bodily injury to one person as the result of one accident will not be more than the Coverage F limit of liability shown in the Declarations.

2. Severability of Insurance. This insurance applies separately to each insured. This condition will not increase our limit of liability for any one occurrence.

3. Duties After Occurrence. In case of an occurrence, you or another insured will perform the following duties that apply, and you will help us by seeing that these duties are performed: give written notice to us or our agent as soon as is practical, setting forth the identity of the policy and insured, reasonably available information on the time, place and circumstances of the occurrence, and names and addresses of any claimants and witnesses; promptly forward to us every notice, demand, summons or other process relating to the occurrence; at our request, help us to make settlement, to enforce any right of contribution or indemnity against any person or organization who may be liable to an insured, with the conduct of suits and attend hearings and trials, and to secure and give evidence and obtain the attendance of witnesses; and, under the coverage for Damage to Property of Others, submit to us within 60 days after the loss a sworn statement of loss and show the damaged property, if in an insured's control. An insured will not, except at such insured's own cost, voluntarily make payment, assume obligation or incur expense other than for first aid to others at the time of the bodily injury.

4. Duties of an Injured Person — Coverage F. The injured person or someone acting for the injured person will give us written proof of claim, under oath if required, as soon as is practical, and authorize us to obtain copies of medical reports and records; and the injured person will submit to a physical exam by a doctor of our choice when and as often as we reasonably require.

5. Payment of Claim — Coverage F. Payment under this coverage is not an admission of liability by an insured or us.

6. Suit Against Us. No action can be brought against us unless there has been full compliance with all of the terms under Section II of this policy. No one will have the right to join us as a party to any action against an insured. Also, no action with respect to Coverage E can be brought against us until the obligation of such insured has been determined by final judgment or agreement signed by us.

7. Bankruptcy of an Insured. Bankruptcy or insolvency of an insured will not relieve us of our obligations under this policy.

8. Other Insurance — Coverage E. This insurance is excess over other valid and collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply in this policy.

SECTIONS I AND II — CONDITIONS

- 1. Policy Period.** This policy applies only to loss under Section I, or bodily injury or property damage under Section II, which occurs during the policy period.
- 2. Concealment or Fraud.** We do not provide coverage to an insured who, whether before or after a loss, has intentionally concealed or misrepresented any material fact or circumstance, engaged in fraudulent conduct, or made false statements relating to this insurance.
- 3. Liberalization Clause.** If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within 60 days prior to or during the policy period stated in the Declarations. This clause does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage.
- 4. Waiver or Change of Policy Provisions.** A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.
- 5. Cancellation.** You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect. We may cancel this policy only for the reasons stated below by letting you know in writing of the date cancellation takes effect. This cancellation notice may be delivered to you, or mailed to you at your mailing address shown in the Declarations. When you have not paid the premium, we may cancel at any time by letting you know at least 15 days before the date cancellation takes effect. When this policy has been in effect for less than 60 days and is not a renewal with us, we may cancel for any reason by letting you know at least 30 days before the date cancellation takes effect. When this policy has been in effect for 60 days or more, or at any time if it is a renewal with us, we may cancel if there has been a material misrepresentation of fact which if known to us would have caused us not to issue the policy, or if the risk has changed substantially since the policy was issued; this can be done by letting you know at least 30 days before the date cancellation takes effect. When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.
- 6. Nonrenewal.** We may elect not to renew this policy. We may do so by delivering to you, or mailing to you at your mailing address shown in the Declarations, written notice at least 30 days before the expiration date of this policy.
- 7. Assignment.** Assignment of this policy will not be valid unless we give our written consent.
- 8. Subrogation.** An insured may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us. If an assignment is sought, an insured must sign and deliver all related papers and cooperate with us. Subrogation does not apply under Section II to Medical Payments to Others or Damage to Property of Others.

9. Death. If any person named in the Declarations or the spouse, if a resident of the same household, dies, we insure the legal representative of the deceased but only with respect to the premises and property of the deceased covered under the policy at the time of death, and we insure any member of your household who is an insured at the time of your death, but only while a resident of the residence premises, and persons having proper temporary custody of your property until appointment and qualification of a legal representative.

REPLACEMENT COST LOSS SETTLEMENT

Endorsement UR-E01 04-22

For an additional premium included in your Total Premium, Section I Condition 3. Loss Settlement is deleted and replaced by the following:

3. Loss Settlement. Covered losses to personal property are settled at replacement cost at the time of the loss, subject to the following: we will pay no more than the least of the replacement cost at the time of loss without deduction for depreciation, the full cost of repair at the time of loss, the limit of liability that applies to Coverage C, any applicable special limits of liability stated in this policy, or the limit that applies to any one item.

Replacement cost loss settlement does not apply to antiques, fine arts, paintings and similar articles of rarity or antiquity which cannot be replaced; memorabilia,

souvenirs, collectors items and similar articles whose age or history contribute to their value; articles not maintained in good or workable condition; or articles that are outdated or obsolete and are stored or not being used.

When the full cost of repair or replacement is more than \$500, we will pay no more than the actual cash value of the damage until actual repair or replacement is complete. You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss to personal property on an actual cash value basis, and then make claim within 180 days after the loss for any additional liability in accordance with this endorsement.

All other provisions of this policy apply.

WATER BACKUP OF SEWERS AND DRAINS

Endorsement UR-E04 04-22

This coverage does not apply to direct physical loss of the sump pump, or related equipment, which is caused by mechanical breakdown.

This coverage does not increase the limits of liability for Coverages C or D stated in the Declarations. The Section I deductible shown in the Declarations applies to this coverage. Section I — Exclusion 3. Water Damage is amended so that it does not apply to loss covered by this endorsement. All other provisions of this policy apply.

ANIMAL LIABILITY LIMITATION

Endorsement UR-E12 04-22

Coverage E — Personal Liability and Coverage F — Medical Payments to Others do not apply to bodily injury or property damage arising out of or caused by any dog whose breed appears on the restricted list we publish at the start of each policy period, any dog with a prior bite history known to an insured, or any exotic or wild animal kept by or in the care of an insured. For any other animal owned by or in the care of an insured, our total limit of liability under Coverages E and F combined for all damages arising out of bodily injury or property damage caused by that animal is \$25,000 for any one occurrence, which is the most we will pay regardless of the number of insureds, claims made or persons injured.

All other provisions of this policy apply.

FIREARMS LIMITATION

Endorsement UR-E15 04-22

Under Section II, Coverages E and F do not apply to bodily injury or property damage arising out of the discharge of a firearm by an insured on or from the residence premises, unless the discharge is accidental and occurs during lawful cleaning, maintenance or storage of the firearm. INFLATION PROTECTION

Endorsement UR-E21 04-22

At each renewal of this policy, the limit of liability for Coverage C shown in the Declarations will be adjusted in proportion to the change in a published index of consumer prices for household contents, rounded to the nearest \$1,000, and the limit for Coverage D will be adjusted to maintain the same percentage relationship to Coverage C as at the inception of this policy. The premium at renewal will reflect the adjusted limits. You may reject the adjustment by telling us before the renewal date. All other provisions of this policy apply.

IMPORTANT NOTICE — PLEASE READ

FLOOD INSURANCE NOTICE

Notice UR-N02 04-22

This policy does not cover loss caused by flood, surface water, storm surge or overflow of any body of water, as described in Section I — Exclusion 3. Flood insurance for the contents of your rented home may be available separately through the federal flood insurance program or a private flood insurer, whether or not your building is in a designated flood zone. Most flood policies have a 30-day waiting period before coverage begins. If you would like a referral, contact us through the app or at hello@umbrellarow.example. No coverage is provided by this notice.

IMPORTANT NOTICE — PLEASE READ

ECONOMIC AND TRADE SANCTIONS NOTICE

Notice UR-N05 04-22

Coverage under this policy will not apply, and no payment, benefit or service will be provided, to the extent that such coverage, payment, benefit or service would expose us to any sanction, prohibition or restriction under applicable national or international economic or trade sanctions laws or regulations. If a claim payment would violate such laws or regulations, the payment will be withheld to the extent required. No coverage is provided by this notice; it summarizes the effect of laws that apply to this contract of insurance.

IMPORTANT NOTICE — PLEASE READ

USE OF CREDIT INFORMATION

Notice UR-N08 04-22

In connection with underwriting and pricing this policy, we obtained and used a credit-based insurance score derived from information contained in your consumer credit report. We did this with your consent, given in the app at the time of quotation. A credit-based insurance score is not a credit score and does not measure creditworthiness; it uses elements of credit history that actuarial analysis has shown to correlate with insurance losses. You have the right to request that we re-evaluate your score if your credit information contains errors that are subsequently corrected by the consumer reporting agency, and the right to be told the name and address of the consumer reporting agency that supplied the information. An insurance score will not be used as the sole basis for cancellation or nonrenewal of this policy.

IDENTITY FRAUD EXPENSE COVERAGE

Endorsement UR-E24 04-22

We will pay up to \$1,000 for expenses incurred by an insured as the direct result of any one identity fraud first learned of by an insured during the policy period. "Identity fraud" means the act of knowingly transferring or using, without lawful authority, a means of identification of an insured with the intent to commit, or to aid or abet another to commit, any unlawful activity. "Expenses" means the costs of notarizing fraud affidavits or similar documents; certified mail to law enforcement agencies, credit agencies, financial institutions or similar credit grantors; lost income resulting from time taken off work to complete fraud affidavits or meet with law enforcement or credit agencies, up to \$200 per day and \$1,000 in total; loan application fees for re-applying for a loan when the original application is rejected solely because the lender received incorrect credit information; and reasonable attorney fees incurred with our prior consent. This coverage does not apply to expenses incurred due to any fraudulent, dishonest or criminal act by an insured, nor to loss of the stolen money or value itself. A \$100 deductible applies to this coverage. All other provisions of this policy apply.

IMPORTANT NOTICE — PLEASE READ

SCHEDULING VALUABLE ITEMS

Notice UR-N14 04-22

Your policy applies special limits of liability to certain categories of personal property — for example jewelry, watches, firearms and silverware — and those limits are shown in Coverage C of the base form. If you own individual items whose value exceeds those limits, you can schedule them: a scheduled item is listed individually with its own agreed amount, is covered against additional risks of direct physical loss, and carries no deductible. Appraisals or receipts are required for items over \$5,000. Scheduling is not included in this policy; to add it, start from the Coverages screen in the app. No coverage is provided by this notice.

IMPORTANT NOTICE — PLEASE READ

DISCLOSURE OF TERRORISM COVERAGE

Notice UR-N17 04-22

Under the federal program for insurance against acts of terrorism, we are required to tell you that this policy does not exclude losses caused by certified acts of terrorism that are otherwise covered by the policy, and that losses from certified acts of terrorism above an industry aggregate threshold are partially reimbursed by the federal government under a statutory formula. The portion of your premium attributable to such coverage is \$0.00. This disclosure is provided for information only; it does not change the coverage provided by the policy.

Notice UR-N20 04-22 (NY)

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime, and shall also be subject to a civil penalty not to exceed five thousand dollars and the stated value of the claim for each such violation. This warning is required by the insurance law of the state shown in the Declarations and applies to every application, renewal and claim under this policy.

QUESTIONS, COMPLAINTS AND GRIEVANCES

Notice UR-N23 04-22

Most questions are settled fastest in the app — a licensed representative reviews every escalated thread within one business day. If you prefer, write to Member Care, Umbrella Row Insurance, 88 Water Street, Suite 1200, New York, NY 10005, or email care@umbrellarow.example. If you believe we have not resolved your complaint after you have given us the chance to do so, you may contact the consumer services bureau of the state insurance regulator for the state shown in your Declarations; the bureau accepts complaints online, by phone and by mail, and its service is free. Please have your policy number ready when you contact anyone about this policy. Nothing in this notice limits any right you have under the policy or at law, including the appraisal and suit provisions of the base form.

How to make a claim

A plain-language guide — not part of the policy contract

Open the app, tap Claims, and tell us what happened in your own words — photos and video help. For theft, tell the police first and keep the report number; for water damage, stop the source if you safely can and photograph everything before you clean up. Most straightforward personal-property claims are approved within minutes and paid the same day to your linked account; anything that needs a human adjuster is assigned one within one business day, and you can message them directly in the app. Keep damaged items until we tell you otherwise, keep receipts for anything you must buy urgently (they may be covered under Loss of Use or Reasonable Repairs), and never feel you have to accept the first estimate a contractor gives you. If you disagree with a claim decision, reply in the claim thread and ask for a review: a different adjuster looks at it fresh. The formal conditions that govern claims are in Section I — Conditions and Section II — Conditions of the base form; this page is a guide, and the policy language controls.

Your payment plan is shown on the Declarations page. Where you pay monthly, each installment is charged to your saved payment method on the scheduled date shown in the app; no installment fee applies to your plan. If a charge fails, we retry twice over ten days and notify you by email before any cancellation notice is issued. A returned-payment fee of \$10 applies to each failed charge where permitted by law.
