Permit reference	NBC-VP-118804
Controlled zone	Zone RC (Redecombe & Calverley)
Valid from	1 October 2025
Valid to	30 September 2026

Resident visitor parking — application approved

Dear Mr Marchbank,

Thank you for your application. We have approved resident visitor parking permits for Flat 12, Redecombe House, 34 Calverley Grove, and your account is now active.

What you've been issued

An annual allowance of **120 hours** of visitor parking in **Zone RC (Redecombe & Calverley)**, issued as electronic vouchers. The allowance is valid from 1 October 2025 to 30 September 2026 and cannot be carried over.

Zone RC (Redecombe & Calverley) covers Calverley Grove and the surrounding streets. Controlled hours are Monday to Saturday, 9am to 6.30pm; outside these hours visitors may park in resident bays without a voucher.

How your visitors park

When a visitor arrives, log in to the parking portal at netherhale-borough.example/parking (or the council parking app), enter the visitor's vehicle registration, and start a session. Time is deducted from your allowance in 30-minute steps and civil enforcement officers check sessions electronically — there is nothing to display in the vehicle.

Vouchers are for genuine visitors to your household. They must not be used for commuter parking, sold, or transferred to another address; misuse can lead to the allowance being withdrawn.

We will write to you before 30 September 2026 to invite you to renew. If any of your details change in the meantime, please tell us at netherhale-borough.example/parking or on 020 7946 0433.

Yours sincerely,

Parking Services
